

Reasons why you should book your Event with
Memories Preservation MultiMedia

1. We are accomplished Professional Digital Event Photographers and Videographers based in Arizona.
2. Our combined expertise can become your portal to photographic and videographic excellence! We have honed our skills for many years photographing and video graphing events involving people and events throughout all 50 United States, Canada, Mexico and the Caribbean. We have received many praises on our photography and videography in the past 20 years and we continue to capture and produce outstanding event productions.
3. Our Event Video Productions are some of the finest in Arizona.
4. Our Productions are designed, edited, authored, produced and mastered using © Adobe's Creative Suite 3.0 Master Collection Software, creating gorgeous digital photographs and high definition digital video productions, which allows you to see your completed event video on screen exactly as it will be produced before the final master is produced.
5. Our customers appreciate what we do. We believe you will too. The majority of our event bookings come by way of referral and word of mouth from our existing satisfied customers. We conduct ongoing customer satisfaction surveys which indicate very high levels of customer satisfaction. Please review the list of customers that use our service. Their satisfaction is a better endorsement than we could ever express.
6. We are sought after international photographer's and videographer's who has been commissioned to photograph and video graph events in the United States, Canada, Mexico and the Caribbean, and have the experience of photographing and video graphing hundreds of events over more than 20 years as professional photographer's and videographer's.
7. We can provide black & white, sepia and artistically-enhanced images along with your high resolution color imagery.
8. Photographic and Videographic coverage on a job specification basis rather than coverage for a fixed number of hours is your assurance that under normal circumstances there will be no extra time charges on the day even if things run behind schedule (Service for full production packages only).
9. Our Leading Edge State-Of-The-Art Professional Photography/Videography equipment helps ensure that your event photographs and video are impeccable.

Remember that only the best will do for your special event and that is our commitment to you!
